Becht4care®

Alcohol-based hand disinfection gel

Storage

Keep container tightly closed and locked in a well-ventilated and dry place. Store in a cool place. Avoid direct sunlight. Store away from strong oxidizers and acids.

Precautions

Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. IF SWALLOWED: Rinse mouth thoroughly. Do not induce vomiting. In case of feeling unwell: Call poison center and get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Indicate batch number (LOT) to identify product in case of any occurrence. Do not keep for longer than 1 year after opening.

Use biocides safely. Read carefully marking and product information before use.
